

## TUDOMÁNYOS ISMERETTERJESZTŐ TÁRSULAT

### TELCE Exams –Writing, Part 2 (80 words, 30 points)

*You are asked to write a short informal email to your friend.*

#### Sample email topics, level B2

1. Your friend has invited you to his/her birthday party. You are very busy at that weekend. Write an email to him/her, saying why you can't be there and suggest another time to meet instead.
2. Your friend wants to live among wild animals in a conservation park. Write an email to your friend and give reasons why you disagree with this decision and suggest him /her another interesting place to live.
3. Your friend is addicted to TV, computer and other modern gadgets. In addition, he likes consuming junk food and energy drink. Write an email to your friend informing him/her about the harmful effects of junk food/energy drink. Try to convince your friend to change his/her lifestyle.
4. Your friend has asked you to visit an art exhibition with him. Write an email to your friend telling him/her why you have been very tired recently and why you do not seem to have energy to do anything. Suggest him/her another program and another date.
5. Your friend has just informed you that he/she has a large debt on his/her credit card and wants to go on holiday. Write him/her an email and give reasons why he/she should not do that and suggest some solutions instead.
6. Your jobless friend has been caught shoplifting. Write him/her an email telling him/her why he/she should refrain from doing it again. Suggest him/her how to become an honourable person.
7. Your friend has written to you saying that his/her job is very boring and he/she does not like his/her colleagues. Write an email to your friend telling him/her why he/she should appreciate that job and suggest him how to push his/her fortune.
8. Your friend has just moved to another city, and he/she does not like living there. Write an email to your friend telling him/her why he/she should stay there for a while. Suggest him/her how he/she should occupy himself/herself there.
9. Your friend is thinking of buying a second hand top smart phone and has asked for your advice. Write a short email to your friend explaining why you think buying a second hand smart phone is not a good idea. Make suggestions on what your friend should do instead.
10. Your friend wants to buy a small toy car for his/her son. Write an email to your friend explaining why you think buying such a toy is not a good idea. Make suggestions on what your friend should buy instead.
